In April the Government's new National Living Wage will become law.

All employee's aged **25 or over** and not in the first year of an apprenticeship, will be legally entitled to at least **£7.20 per hour**.

If you're an employer, you'll need to make sure you're paying your staff correctly from 1st April 2016, as the National Living Wage will be enforced as strongly as the current National Minimum Wage.
